

PRODUCT SPECIFICATIONS | STANDARD RANGE | 900 LUMENS

| DESCRIPTION | |
|---------------------------------|---|
| Part Number | XGLO-L-60-36v-DC |
| Lumens <small>(Nominal)</small> | 900 |
| Luminous Efficacy | 98.14 Lumens / Watt |
| LED Chip type | Epistar |
| LED configuration | 60 LED's per meter |
| Maximum running length | 80 Metres – Dual Feed 40 Meters – Single Feed |
| Recommended fixing height | 5 – 6 Metres |
| IP Rating | 67 |
| Maximum Watts per Metre | 9.00 Watts |
| Colour Rendering Index CRI | > 80 |
| Colour temperature | 6500 Kelvin |
| Ambient Operating temperature | PVC: -20° to 45°C Silicone: -40° to 55°C |
| Voltage | 36V DC Only |
| Light maintenance | 20% reduction over 4 years |
| Lifespan | 50,000 hours |
| Warranty | 5 Years |
| Protection | Short Circuit Over Voltage Over temperature Over Current |
