

HX Magnetic Light & Cable Holder

The HX Magnetic Light and Cable Holder provides an easy method to mount your LED light strips and cables to ferrous surfaces.

The magnet provides extreme holding force ensuring your light strip is going to be secure. Ideal for temporary mounting and maintenance lighting purposes.

Key Features

- 22kg holding force
- 316 Stainless steel carabiner
- Recommended spacing 2m - 5m
- Rare earth metals compliant for ease of export
